

Scarlett Phillips raised over \$10,000 for the Harrison Riedel Foundation.

As Scarlett prepared to celebrate her Bat Mitzvah, she reflected on how important it is to have a community, and within that people that she could talk to and rely on. Scarlett wants others to feel the security that she feels from having the support of so many. With that knowledge, Scarlett chose to benefit YourCrew with her Bat Mitzvah gifts, in the hope that it can help to bolster the challenges that teenagers often face today.

Scarlett and her Crew raised over \$10,000 to help create the YourCrew App.
